STUDENT SUCCESS SPOTLIGHT

“I really love working with numbers.”

Safoura earned bachelor's degrees in accounting and mathematics in her native Iran. She worked as an accountant in Iran for 20 years before coming to the US in 2020. Safoura first heard about HBAS from her parents, who were taking English as a Second Language (ESL) classes. Instead of enrolling in ESL herself, Safoura decided that to take Career Training classes, so she could gain job skills while also improving her English.

In 2021, Safoura started with computer and accounting classes, and hasn't stopped since! Safoura has successfully completed over two dozen classes and earned FIVE Career Certificates: Administrative Assistant, Accounting Clerk, Data Entry Clerk, Medical Billing and Coding, and Pharmacy Technician. Along the way, HBAS staff recognized her potential, and brought her on as a Dropout Recovery Liaison with the ESL department. She continued to take a full load of classes while working at HBAS and doing accounting for a local organization.

The ESL team has been impressed with Safoura on the job. They were not surprised when she was recently hired by the Huntington Beach Unified School District as a Senior Accounting Clerk. She started her new job in October 2024.

Safoura's ambitions have no sign of slowing. In addition to her new job, she is also taking college classes at Golden West College to earn her AA and BA in Accounting.

And when she has already accomplished so much, why does Safoura keep taking classes here? She said, *“CTE has the best teachers. If you need help, they help you.”* She also gave a shout out to Job Developer Arlene for helping jobseekers like her take the first steps on their new career path.

Rebecca Adams, Senior Secretary at our Westminster Campus, shared her excitement: *“So happy to hear about her new endeavor. Safoura is an example of discipline and persistence. She has such a caring demeanor.”*

Congratulations and lots of success, Safoura. You deserve the best!”

STUDENT SUPPORT SERVICES

HBAS and Ocean View High School Celebrate Hispanic Heritage Month

HBAS and OVHS co-hosted a spectacular Hispanic/Latino Heritage Month Fiesta to celebrate and honor Hispanic/Latino culture and heritage. Staff across three school districts (Huntington Beach Union High School District, Ocean View School District, and Westminster School District) came together with students, parents, and board members to enjoy this special community event.

The celebration featured lively performances, including a Folklórico dance showcase by HBAS (featuring Rebeca Adams) and Stacey Middle School, three beautiful song performances by Teffany Nowell from the Oak View Family Resource Center, and a spirited OVHS band performance of La Chona. The HBAS and Stacey Middle School Folklórico groups performed a total of nine routines, demonstrating their skilled choreography and love for traditional dance.

This year's Fiesta also welcomed several wonderful community partners, including Common Ground, Project Hope Alliance, AltaMed Health Services, and Orange County Community Housing Corp/SteppingUP. Each organization hosted educational booths to connect students and families to vital services such as health care, housing, and college preparation. OVSD, WSD, and Oak

View Elementary School also shared information about volunteer opportunities and programs, including OVSD's Spanish Dual Language Immersion program.

Delicious traditional Mexican dishes, pozole and tacos al pastor, were prepared by John Chiu's HBUHSD Nutrition Services team. Food is an essential part of Hispanic/Latino culture, and we are grateful to our OVHS kitchen staff for generously sharing their time, culinary expertise, and passion. A special thank you goes to Kendra Rosales and the Brave Ones Foundation for generously covering the cost of student meals.

Together, we celebrated the value, strength, and beauty of the Hispanic/Latino culture and community. Thank you to everyone who attended, supported, and helped make our Hispanic/Latino Heritage Month Fiesta a truly memorable success.

Certified paraprofessionals offer skills and contributions to the learning environment that make candidates highly valued and sought after in education. The topics in this course will prepare students for the exciting and rewarding field of special education.

Students will be introduced to the continuum of programs offered within the Huntington Beach Union High School District. Students will learn about special education law within the public school system—with a concentrated focus on IDEA and Individualized Education Programs (IEP's). After examining the macro effects, students will focus on the purpose of inclusion and the appropriate connections that a paraprofessional will have in the classroom. Teamwork, classroom teacher collaboration, and Level 1 ABA certification training will also be covered.

Students who complete the 30 hour training will receive a certificate of completion. In addition, the HBUHSD Classified Human Resources Department will be at the last class to speak about the application and hiring process. Many paraprofessional (teacher's aide) positions are open in the HBUHSD and surrounding school districts. This is a great time to start a new career while helping your local community.
