## Finding Purpose Through Healthcare: Julia's Journey at HBAS.

When Julia Prager, CTE Student of the Year, moved from Salt Lake City to Southern California in 2023, she was searching for a fresh start and a sense of purpose. Shortly after settling in, she received the Huntington Beach Adult School catalog in the mail and noticed the Medical Assistant program. For Julia, the opportunity immediately stood out.

*"I have always wanted to help people," she shared. "When I saw the medical assistant program, it felt like something I was meant to do."*

Julia enrolled in the program in 2025 and quickly discovered she had found the right path. At the time, she was facing personal challenges and struggling to find direction.

*"When I started the program, I was going through a difficult period in my life," she explained. "But once I started coming to class, I never questioned why I was there. I looked forward to class every day."*

One of the biggest impacts on Julia's journey was the supportive environment she found at HBAS. She credits her classmates and instructor, Oscar Rivas, for helping her feel encouraged and motivated.

*"Everyone was so positive and excited to learn," Julia said. "Oscar brought real-life experiences into the classroom, which made me feel prepared for the future."*

Through the program, Julia not only gained valuable healthcare skills but also renewed confidence in herself and her future career goals.

For anyone considering enrolling at Huntington Beach Adult School or pursuing a career in healthcare, Julia offers this advice: *"There will always be unanswered questions about the future, but if there's something you want to do, let that push you forward. You have to do what makes you happy."*

Today, Julia feels confident she is building a future centered around helping others — something that has always been close to her heart.

# STUDENT SUPPORT SERVICES

## Cultural Diversity Day and Student of the Year Celebration

At Huntington Beach Adult School (HBAS), we recognize that student success extends far beyond academics. Adult learners thrive when they feel supported, connected, and empowered both inside and outside the classroom. In addition to offering rigorous, relevant, and innovative educational programs, HBAS is proud to foster a warm and welcoming campus culture where students experience a genuine sense of belonging and community.

On March 26, 2026, HBAS hosted a Job and Resource Fair that brought together 45 employers and 22 community resource partners dedicated to supporting economic mobility and overall well-being. More than 500 attendees connected with valuable employment opportunities and community resources designed to support personal and professional growth. This event reflected HBAS's ongoing commitment to empowering students and strengthening connections within the community.

On May 7, we collaborated with the Huntington Beach Union High School District to host the District English Learner Advisory Committee (DELAC) Awards Ceremony. This meaningful partnership celebrated parents who actively took part in DELAC meetings to gain the knowledge and tools needed to support their children who are English learners in our district high schools. HBAS was especially proud to recognize that many of these dedicated parents are also current adult learners at our school. Following the DELAC celebration, HBAS honored our Students of the Year and hosted our annual Cultural Diversity Day celebration. The Cultural Diversity Day celebration highlighted the rich cultures and experiences represented throughout the HBAS community. Students and staff came together to enjoy cultural showcase tables, live performances, and an international potluck. The event served as a powerful reminder that diversity is one of HBAS's greatest strengths, and that student achievement flourishes in an inclusive and supportive environment.

## Hybrid Computer Classes

### Hybrid Course Information

These courses are entirely self-guided with the majority of work completed online. You are only required to attend class on the two specific dates listed below. Within the 5-week session, you can access and work on any lesson 24 hours a day and work as little or as much as you like—whatever suits you best. To budget your time, plan an average of 6 hours per week in online instruction (about 1 lesson per week). This includes reading the materials, watching video lessons, completing assignments and uploading your work.

**PC only. Does not work with MAC computers.**

**Computer Requirements:** Full version of Microsoft Office is required to learn the program (i.e. Word online requires you to have Word or higher, Excel requires Excel or higher, etc., not a starter edition). This must be installed on your computer prior to starting the class. Internet access is also required in order to successfully watch the video content and upload your completed assignments to the instructor. The online classes are based on a PC with Windows 10 or 11, **not a Mac**. A free download of Office 365 is available to HBAS students. Students must have excellent file management skills, be able to upload and download files and know how to split a screen.

**Hybrid courses meets in person on the Gothard campus 2 times throughout the entire course while the majority of the learning will be completed online. See the required in-class meeting dates and times listed below.**

# CAREER TRAINING

## Paraprofessional Certificate Program

Paraprofessionals are an integral part of both special education and the general education classroom. Certified paraprofessionals offer skills and contributions to the learning environment that make candidates highly valued and sought after in education. The topics in this course will prepare students for the exciting and rewarding field of special education.

Students will be introduced to the continuum of programs offered within the Huntington Beach Union High School District. Students will learn about special education law within the public school system—with a concentrated focus on IDEA and Individualized Education Programs (IEP's). After examining the macro effects, students will focus on the purpose of inclusion and the appropriate connections that a paraprofessional will have in the classroom. Teamwork, classroom teacher collaboration, and Level 1 ABA certification training will also be covered.

Students who complete the 30 hour training will receive a certificate of completion. In addition, the HBUHSD Classified Human Resources Department will be at the last class to speak about the application and hiring process. Many paraprofessional (teacher's aide) positions are open in the HBUHSD and surrounding school districts. This is a great time to start a new career while helping your local community.

### Main Office Hours

Please see page 3 for Office Hours.

**Admission** Courses are open to any person 18 years of age or over who can profit from instruction. There is open, ongoing enrollment in most classes.

**1098-T Tax Forms** As a non-credit program HBAS does not issue 1098-T tax forms to HBAS students.

**Fees** A \$20 non-refundable registration fee is charged in most CTE classes as well as material or lab fees where needed.

### Refund Policy

Sometimes it becomes necessary to cancel a class due to low enrollment or a problem with facilities or staff. If HBAS cancels a class **before the class begins**, a full refund will be issued automatically. If a class is cancelled after it starts, a refund for the remaining unattended classes will be issued. Student initiated refunds, minus a \$30 registration processing fee, will be granted if HBAS receives the request in writing at least 3 working days before the first day of class. A request for credit may be initiated by a student if received by HBAS in writing at least 1 day before the first day of class. **No refunds or credits may be requested after the first day of class.** There are no refunds for classes \$49 or less; however, a credit may be requested if done so in writing before the first day of class. For refund policies for Kindergarten through 12 grade community education classes see the policy listed for the specific program on the hbas.edu website. For more information contact us at info@hbas.edu or (714) 842-4227.

**No refund for classes less than \$49.**

**Returned Check Fee** The Adult School charges a fee of \$25 for checks returned to us for insufficient funds.

**Attendance** A specific number of students is required to offer a class, and it may be closed if attendance falls below limits; therefore, students have an obligation to each other to attend regularly.

**Enrollment Confirmation** All online registrations receive automatic confirmations via email. HBAS does not usually send confirmations of enrollment in a class. If you would like confirmation to be sent to you, please include a self-addressed, stamped envelope with the registration form or include your email address and a request for confirmation. You may also call the department one week prior to the start of the class.
